

THE HOLY SPIRIT IN EAST ANGLIA APRIL 2022

Catholic Charismatic Renewal Newsletter For the Diocese of East Anglia

Days of renewal are live AGAIN

With so much of the country opening up, we extend an invitation to come to our live events. Come and join many others in East Anglia to praise God together and seek renewal in the Holy Spirit.

We are planning four events this year which I would like to tell you about in this letter. They will each be in a different part of the diocese and we hope this will enable more people to engage with them and bring someone from their own local area.

We are delighted that Fr Alvan will be speaking at our first day and the venue for this is his home area of Great Yarmouth and Gorleston. He is very keen to help people to connect again with the Lord and renew that personal relationship to which we are called.

CELEBRATE EAST ANGLIA IS BACK

If you are one of the families who celebrated the joy of the Lord together at Celebrate Weekends prior to the pandemic, you will be interested to know Celebrate is back promoting a new thing in local communities around the diocese.

Having prayed and listened carefully during lockdown to the Spirit's guidance, the main Celebrate team discerned a need to build community locally so people can support and encourage each other to live in the Spirit. Their vision is that where shorter local events happen more regularly, there will be more continuity of support.

A big thank you to Mandy and Clare and Living Stones prayer group for moving forward with this vision and offering our diocese a Celebrate experience this summer.

PRAISE AND WORSHIP ON THE LAWN June 18th 2-6pm

Like a Celebrate weekend, this afternoon promises to share the same joy of being loved unconditionally by the Father.

In a lovely garden setting it has faith and fun for adults and children. Come and renew your trust in God's goodness and generosity for you. Be invited to learn afresh from the talk what it means to live life in the Spirit and join with others to sing songs of thanksgiving and praise.

Family friendly worship will be followed by a talk for adults and a workshop for children. There will be organised games for children and a chance to use the pool (under lifeguard supervision). Bring your own picnic and chair.

Philip Walters
